| <p><b>From Summer Mindset - an Article by John Piper</b><br/>           Jesus Christ is refreshing. Flight from him into Christless leisure makes the soul parched. At first it may feel like freedom and fun to skimp on prayer and neglect the Word. But then we pay: shallowness, powerlessness, vulnerability to sin, preoccupation with trifles, superficial relationships, and a frightening loss of interest in worship and the things of the Spirit. Don't let summer make your soul shrivel. Jesus Christ is the refreshing cent of summer. He is pre-eminent in all things, including vacations and picnics and softball and long walks and cookouts. He invites us this summer: "Come to Me, all who are weary and heavy-laden, and I will give you rest." Matthew 11:28. This is serious summer refreshment.</p> |  |   |   |   |   | <p><b>1</b><br/>           • Protection, efficiency &amp; encouragement for farmers as they wait out the timing of God for planting, haying, etc.</p>  |   |                       |   |                |   |                  |   |                       |   |                            |   |                      |   |                      |  |  |
